# YOUR CHANCE TO MAKE A DIFFERENCE.

■ Joining the Trust is one of the simplest and most effective ways of supporting Exeter City and ensuring you have a say in your club's future.

What's more, the Trust's greatest strength is, without a doubt, its members. Numbering around 3,000, the financial and practical support members provide the club has proved priceless.

However, more members doesn't just mean more money for the playing budget, it also gives the club more political power!

So, if you've got Exeter City FC in your heart and aren't already a member, what are you waiting for?

■ You might also like to consider leaving a legacy or bequest in your will.

The Trust has proven itself to be a model of sustainable ownership. Leaving the Trust a legacy - no matter how small - will give you the satisfaction of knowing you will help the Trust's good work continue, even after your death.

The Trust can provide any member interested in pursuing this opportunity free legal advice. Please contact [trust@ecfc.co.uk](mailto:trust@ecfc.co.uk) for more information.

Exeter City Supporters' Trust

# NO ORDINARY FOOTBALL CLUB.

■ The Grecians are one of just a few sides in the top four divisions of English football in which the fans enjoy a controlling interest and are seen as a model for supporter ownership.

The Trust has injected nearly £2m into the club since it assumed control in the summer of 2003.

It's committed to promoting supporter ownership of a financially stable club, at the heart of its community, and has overseen a remarkable transformation in the club's fortunes.

The Trust puts the club's supporters at its heart and ensures their views are listened to. Four of the eight Club Directors are Trustees who also sit on the board.

At the same time, there is no wealthy benefactor to bankroll the club - or to walk away leaving its future in the balance. However, by joining the Trust you can help to level the playing field.

■ Trust membership entitles you to a number of benefits. These include priority status for any all-ticket games and a vote on issues of critical importance, a chance to be "Director for the Day" at a home game, as well as the opportunity to stand for election to the Trust's board if you'd like to become even more involved.

The strength of the Trust is in its numbers and, whilst we should be extremely proud of what has been achieved over the last 10 years, the only way to ensure we remain a sustainable and successful model of ownership is by increasing membership.

Membership starts from just a couple of pounds a month - though we'd encourage you to give a little more if you can afford to - and offers you the opportunity to contribute to your club's future success as an equal member of a democratic body.
