

Neil Le Milliere - Manifesto

I'm 63, a retired Civil Servant, and a Grecian since boyhood. I left Exeter in 1966 for Kent. From 1980 I became a supporter going to games. I joined the London Grecians 1992, became travel organiser 1996, and helped run GrecianNet since 2000.

In 2000 I was one of a group raising money to buy Gary Alexander, who evolved into the Exeter City Transfer Trust, then the current Trust. I was one of three who drafted the first constitution.

I became a co-opted member representing Exiled members continuing in this role until retiring under the 'six year maximum term' rule seven years ago. I was then co-opted back onto the Board after a year off then stood for election in 2013 when I was successful.

I completed a review/update of our constitution ten years ago; closed the Red or Dead scheme and coordinated allocating funds raised. I took on a number of ongoing roles including running/organising Director for a Day and high profile match ticket Draws.

Most visibly I am one of the volunteer staff on matchdays running the FECRACE

I'm act as Returning Officer for other Trusts in their elections; I'm on the Board of Supporters Direct; Chair of both their England/Wales Council and their Governance Committee. I'm on the FA Compliance Monitoring Group.

Having experienced the setting up of our Trust and the takeover of our Club I am able to share and pass on my experiences proffering help/advice wherever needed.

My professional career and current responsibilities have meant I have considerable debating, influencing, and analytical skills etc; which are well suited to the requirements placed on a Trustee.

I'm passionate about the success of ECFC as a Trust owned club, being at the heart of the community and I invite you to vote for me, promising to continue to work towards getting our Trust/Club to the highest level possible whilst continuing to ensure we achieve it in a sustainable way holding true to the concept of supporter involvement/ownership.

With my experience and wider involvement in football I feel I have made a significant contribution to ECFCST and seek to continue. I live in London so attending Board Meetings is a long journey and I need to claim 50% of journey costs if elected.

We all should continue to support both the Trust and thus the Club. The more of us involved the more successful we can be.
